

**Nagasaki University has conferred upon Dr. Osamu Shimomura the third
“Nagasaki University Distinguished Alumni Award.”**

President Saito confers the “Nagasaki University Distinguished Alumni Award” upon Dr. Shimomura, in the presence of Regent Matsuoka and Regent Nakayama seen in back.

Diploma of Distinguished Alumni Award

President Saito praises the enormous achievements of Dr. Shimomura.

Dr. Shimomura expresses his appreciation on being conferred the Award.

The third “Nagasaki University Distinguished Alumni Award” was conferred upon Dr. Osamu Shimomura on Saturday, October 20, 2007 at the Nakabe Hall. This Award is to be given to a Nagasaki University graduate who has accomplished great achievements in his/her area of expertise as well as has having earned great fame for the University.

After a seminar by the Nagasaki University School of Pharmaceutical Sciences Pharmacists Education Center, a conferment ceremony took place in the presence of Regent Matsuoka and Regent Nakayama.

President Saito praised Dr. Shimomura for his outstanding achievements and Dr. Shimomura in turn said that rather it was an honor for him to be given the prestigious award at the hands of President Saito.
