

Nagasaki University Biomedical Sciences Doctoral Leadership Program
school briefing session will be held in Tokyo on November 2nd.

Nagasaki University Graduate School of Biomedical Sciences has initiated a new program entitled “Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases” (<http://www.tecd.prj.nagasaki-u.ac.jp/en/>) in April 2013. This program aims to train the next generation of global leaders in tropical and emerging communicable disease control. We provide young professionals with the knowledge and skills necessary to manage and combat disease. All lectures are conducted in English and overseas training is required. Scholarships are available so that students can focus exclusively on their studies. We look forward to your participation.

Date and time: November 2nd (Sat) 1:00-3:00 PM

Venue: Nihonbashi Plaza Building 3rd Floor, Meeting Room 3
(2-3-4 Nihonbashi Chuo Ward, Tokyo)

Participants need to register their name, current department or job by email or FAX by October 20th.
