授業のねらい・内容・方法								
<p>The aim of this course is to give 2nd year students opportunities to explore universal topics that will challenge them to explore and express their values, opinions and beliefs. Activities to practice English communication, develop English fluency and provide insights into preferred ways of learning and thinking will help foster meaningful interactions with classmates.</p>								
テキスト、教材等								
Students will be expected to buy a package of graded readers and two 20-minute cassette tapes. Students will be asked to provide favorite stories and anecdotes. The instructor will provide Handouts.
