授業のねらい・内容・方法								
<p>The aim of this course is to guide 1st year students to good learner strategies such as goal setting and learning management. Basic presentation language and skills will be introduced and students will prepare 2 presentations, developing English speaking, listening and writing fluency about 2 topics that they choose. Presentations will be done in small groups. There will be weekly opportunities in class to practice writing paragraphs and students will be asked to keep a diary in English for homework. Graded Readers will be read in class and students will be expected to read at an appropriate level for homework and keep a record of their reading progress.</p>								
テキスト、教材等								
Students are required to buy a package of Graded Readers. The instructor will prepare handouts.
