テキスト、教材等								
<p>GRAMM ados. Didier. One book.</p> <p>" Grammar is not fun", is probably what you think. However, you need it in learning a language. With this method, you will not get bored and your knowledge will last forever, I hope. Communication is included : it is an active and interactive approach with progressive and inductive reasoning. You learn a lot yourself in a precise framework and with my help..You will discover new logical reasoning, abstraction and you will understand and analyse your mistakes to learn better.</p>
