<p>授業のねらい/授業方法(学習指導法)/授業到達目標</p> <p>授業のねらい: This course is designed to improve students' proficiency in listening and speaking English. Students will be acquainted with different listening purposes and listening strategies that will help them develop their skills especially in selective listening for information needed. Students will practice using the target language appropriate for different social contexts and move towards more open-ended speaking tasks.</p> <p>授業方法: Audiovisual materials will be used to provide listening practice and present target language in appropriate contexts. Various activities including role play, information gap etc. will be used to encourage students to communicate with one another. Self-study tasks and homework focusing on language functions practiced in class will be assigned.</p> <p>授業到達目標: By the end of the course, students would be able to:</p> <ul style="list-style-type: none"> - demonstrate their understanding of dialogues and monologues presenting target functions and contents within the range of the topics covered by completing required activities; - improve their proficiency in communication and use correct language functions in different situations; - express their ideas concerning various topics covered in class. 			
<p>授業内容(概要) / 授業内容(毎週毎の授業内容を含む)</p> <p>授業内容(概要) The content will cover listening strategies/purposes, dialogues presenting selected everyday communicative functions and language functions relating to health issues, as well as monologues ranging from simple announcements and instructions to short stories, anecdotes and news broadcasts. Listening will be used as a point of departure to speaking practice.</p> <p>第1回 Introduction/Listening Strategies 第2回 Asking Personal Questions 第3回 Extended Listening/Describing People 第4回 Identifying Abilities 第5回 Extended Listening/Giving and Following Instructions 第6回 Review/Describing Jobs 第7回 Identifying Requests and Making Excuses 第8回 Midterm Exam/Extended Listening 第9回 Identifying Health Problems and Giving Advice 第10回 Discussing News Report 第11回 Extending Listening/Describing Incidents 第12回 Interviewing and Giving Opinions 第13回 Extended Listening/Talking about Likes and Dislikes 第14回 Making Complaints and Identifying Advice/Review 第15回 Final Exam</p>
