<p>授業のねらい/授業方法(学習指導法)/授業到達目標 (500文字)</p> <p>授業のねらい: The aim of this course is to give students practice in speaking and listening and in doing so raise their confidence and understanding. The course will attempt to find a balance between accuracy and fluency by examining grammar and vocabulary in different contexts and then using English in these contexts in the classroom as much as possible (in a shop, talking with friends, on the phone etc).</p> <p>授業方法: Classes will include various authentic speaking and listening activities. Students will work in groups and pairs, using the language in different communicative contexts.</p> <p>授業到達目標: Students will learn the relationships between language and context and the ways in which language relates to the situations in which it is used.</p>
