授業のねらい・内容・方法								
The aim of this course is to combine English language skills with interesting content which will be presented by learners in small groups. Content will be decided by individual learners. The instructor's role will be to raise learner awareness of ways to practice English language skills, the role of world English in our lives, and culture values and attitudes. Students will be asked to do an interview, a survey and a Mind Map with respect to the above.								
テキスト、教材等								
Students should be prepared to read one graded reader a week from the library (2 nd Fl.) A notebook for writing, colored pens and highlight pens are necessary. Also a Clear File (20pockets) to keep class handouts is required.
