| <p>Working with the textbook as well as other materials prepared by the teacher, we will discuss various topics relating to Western culture, as well as life in contemporary society. Students will work in pairs and groups to share their opinions. Videos will also be shown in class, and students will do listening comprehension and discussion activities based on the videos. Students will be expected to do weekly homework activities relating to that week's activity, and to master vocabulary of basic to intermediate level.</p> | | | | | | | | |
