

# Study on Emerging and Re-emerging

# Infectious Diseases in Vietnam

## Nagasaki University - NIHE Joint Symposium

November 21, 2023  
9:00-18:00

Nagasaki University  
Ryojun Auditorium 1F Sensai Hall  
\*Streaming via Zoom (Prior registration is required)

The Institute of Tropical Medicine, Nagasaki University, Japan, and the National Institute of Hygiene and Epidemiology (NIHE), Vietnam have been continuing collaborative research on infectious diseases since 2006. In addition to reporting on the outcome of the "Project to Promote Research on Emerging and Re-emerging Infectious Diseases in Vietnam" which has been implemented since 2020 and collaborative research utilizing the Vietnam Research Station with Japanese research institutions, the meeting will also discuss prospects for collaborative research in the future.
