授業のねらい・内容・方法							
<p>In this course we will try to become better at, and more confident in, communicating in English. You will increase your English vocabulary, improve your pronunciation, and practice listening to native speakers talking at normal speed. More importantly, however, we will spend a large part of class time on speaking activities, where you will work in pairs and small groups, becoming more fluent speakers.</p>							
テキスト、教材等							
<p>Your teacher will supply printed materials, especially to practise speaking. You should keep all of these materials together in an A4-size file. You should also bring a dictionary. If a textbook is needed, this will be decided later.</p>
