<p>授業のねらい/授業方法 (学習指導法) /授業到達目標</p> <p>授業のねらい: The class aims to introduce learners to ways to develop English fluency. Learners will be challenged to use the English that they know and add details and examples to interview topics. In the second half of the class, learners will be challenged to speak about their experiences in English. Opportunities to interact in pairs and small groups will be maximized. There will be plenty of opportunities to ask questions and get examples from the instructor. Learners are encouraged to give everything in the class a try and to do their homework!</p> <p>授業方法: The focus of class time until the midterm will be: Interview Topic + Topic Map + Active Listening = Conversation. The focus of class time from the midterm to the final test will be Experience + Active Listening = Conversations. Recording room days will be opportunities for learners to record themselves and to listen to examples on Ms. Ruhl's Home Page. Weekly extensive reading and writing will be maintained over the weeks. A Self Study folder of recordings done in students' free time will be collected at the final speaking and listening test.</p> <p>授業到達目標: By the end of the course, learners would be able to:</p> <ul style="list-style-type: none"> - organize experiences, details and examples to talk about themselves; - realize the importance of active listening and demonstrate basic active listening ability; - see improvement in writing fluency and reading fluency.
