授業のねらい/授業方法(学習指導法)/授業到達目標(500文字) 授業のねらい:The ability to communicate in English in an increasingly international community is essential. Given that the key to developing most skills is the careful balance between “study” and “practice,” based on the course text and text CD students will be given the opportunity to further develop their communication skills (reading, writing, listening and speaking) by both studying and using authentic English.  授業方法:The course will be based around the text (and text CD), plus some additional materials, this includes reading, writing and listening assignments, pair and group work/ discussion.  授業到達目標: After completing this course students should be more confident in speaking and understanding authentic English.			
授業内容(概要)/授業内容(毎週毎の授業内容を含む)(1300文字) The course will be based around the text (and text CD), plus some additional materials, this includes reading, writing and listening assignments, pair and group work/ discussion.
