授業のねらい・内容・方法								
<p>Working with the textbook as well as other materials prepared by the teacher, we will discuss various topics relating to Western culture, as well as life in contemporary society. Students will work in pairs and groups to share their opinions, then present their ideas in English to the rest of the class. Students will be expected to do weekly homework activities relating to that week's activity, and to master vocabulary of a basic level.</p>
